Conemaugh Health System

February 15, 2013

To Whom It May Concern:

Conemaugh Health System, a nonprofit 501(c) 3 healthcare organization not physician owned, is proud to host this May, the 3rd Annual Emergency Physician Educational Summit. The Summit will be held at the Omni Bedford Springs Conference Center in Bedford, Pennsylvania. The conference will focus on current topics in emergency medicine.

We would like to extend the opportunity for your company to partner with us by supporting this worthwhile educational event on ***May 6th and 7th, 2013***.

We have worked to create an exceptional educational event designed to bring emergency physicians together for continuing education on updated topics that are relevant to everyday practice within our region. Attendees will receive "hands-on" training and education in the areas of resuscitation, difficult/advanced airway techniques and ED ultrasound. Group and individualized instruction will be provided. This conference will promote the discussion of current issues by allowing emergency physicians the opportunity to network with faculty and their colleagues. For more information please visit our website at http://www.conemaugh.org/LearningInstitute/ for a complete program description.

Please refer to the attached ***Vendor Exhibit Reply Form*** for display fees. Approximately 50 participants are expected and space for ten vendors is available.

If you have specific questions regarding the summit or venue, please contact us by phone at 814-534-9063 or by email at snagle@conemaugh.org.

As a supporter of this event your company name will be recognized as a partner of our health system that is interested in the competence of our healthcare providers and welfare of our community.

Sincerely,

Kevin Casey, DO
Director, EM Residency
