Welcome!

The 7th Annual Cardiovascular Symposium is organized and sponsored by the Cardiology Department at Conemaugh Memorial Medical Center and Conemaugh Health System.

PURPOSE/TARGET AUDIENCE

The purpose of this symposium is to provide a comprehensive review of important topics in cardiovascular disease including cardiac CT angiography, magnetic resonance imaging and angiography, adherence to guidelines in cardiovascular medicine, ECG interpretation, dispelling myths in cardiovascular medicine and indications for placement of permanent pacemakers. We invite you to explore these topics in an atmosphere that is second to none. Our target audience is cardiologists, primary care physicians, medical residents/students, nurses and allied health professionals who would like to increase their knowledge of diagnosing and treating cardiac disease.

Online Registration (Deadline April 4) www.conemaugh.org/learninginstitute

Registrations will be confirmed by e-mail upon receipt of payment. If you do not receive a confirmation from the Department of Continuing Education within ten days of the conference, call 814-534-1322 to confirm your registration. Walk-ins and late registrations can be accepted if space is available. Fee includes instruction, handout materials, contact hours, continental breakfast & lunch.

REGISTRATION FEE

Limited rooms reserved at \$159/night. Call Lisa Blaner at 724-329-6952 for reservations. Reference code CN0414.

Agenda

7 - 7:55 a.m. **Registration/Breakfast/Visit Exhibits**

7:55 - 8 a.m. **Welcome**

8 - 9 a.m.

Myths & Legends in Cardiovascular Medicine
Define common myths in cardiovascular medicine and

avoid perpetuation in the future. • Robert Stenberg, MD

9 - 10 a.m.

Cardiovascular Applications of CT Angiography Describe role of Cardiac CT Angiography in the

evaluation of cardiac C1 Angiography in the evaluation of cardiac patients. • Anthony Scuderi, MD

10 - 10:30 a.m. **Break/Visit Exhibits**

10:30 - 11:30 a.m.

Cardiovascular Magnetic Resonance to Identify the Vulnerable Patient

Explain the role of Magnetic Resonance Imaging & Angiography in the evaluation of cardiac patients. Erik B. Schelbert, MD, MS, FACC

11:30 - 12:30 p.m.

Guidelines Improve Outcomes in Cardiovascular Medicine

Describe how adherence to guidelines in cardiovascular medicine improves patient outcomes.

Eric D. Peterson, MD, MPH

12:30 - 1:30 p.m. Lunch/Visit Exhibits

1:30 - 2:30 p.m.

Electrocardiogram Interpretation in the Real World - Beyond the Basics

Interpret Electrocardiogram (ECG) in 2014. Curtis Rimmerman, MD, MBA, FACC

2:30 - 3:30 PM

Cardiac Pacing: Indications & Innovation

List indications for the placement of a permanent pacemaker and describe the available pacemaker types. Genevieve Everett-Brumberg, MD

EXCELLENCE. EVERY PATIENT. EVERY TIME.

Speakers

Genevieve Everett-Brumberg, MD Electrophysiologist Director, Cardiac Electrophysiology Conemaugh Memorial Medical Center Johnstown, PA

Fred Cobb, MD, Distinguished
Professor of Medicine
Director, Duke Clinical Research Institute
Duke University Medical Center
Durham, NC

Curtis Rimmerman, MD, MBA, FACC Gus P. Karos Chair, Cardiovascular Medicine Director, Cardiovascular Medicine Affiliate Programs Deputy Director, Center for Continuing Education Cleveland Clinic, Cleveland, OH

Erik B. Schelbert, MD, MS, FACC
Director, Cardiovascular Magnetic
Resonance
Assistant Professor of Medicine
Assistant Professor of Clinical &
Translational Science
UPMC Heart & Vascular Institute
University of Pittsburgh, Pittsburgh, PA

Anthony Scuderi, MD Chairman, Laurel Highlands Advanced Imaging Cambria Somerset Radiology Johnstown, PA

Robert Stenberg, MD, FACC Medical Director, Cardiology Conemaugh Memorial Medical Center Johnstown, PA

DISCLOSURES

The Planning Committee for this educational activity, Dr. Robert Stenberg, Celena Curcio, Michelle Dillon and Gayle Denk, have no significant financial interests or relationships with any manufacturers of commercial products or services to disclose.

Faculty and all others who have the ability to control the content of continuing education activities sponsored by Conemaugh Health System are expected to disclose to the audience whether they do or do not have any real or apparent conflict(s) of interest or other relationships related to the content of their presentation(s).

CREDIT

Participants must attend 90% of the program to receive contact hours.

Category 1 CME: Conemaugh Health System is accredited by the Pennsylvania Medical Society to provide continuing medical education for physicians. Conemaugh Health System designates this live activity for a maximum of six (6) AMA PRA Category 1 Credit(s)TM. Physicians should claim only the credit commensurate with the extent of their participation in the educational activity.

ANCC Contact Hours: This activity is awarded 6 contact hours. Conemaugh Health System is an approved provider of continuing nursing education by the PA State Nurses Association, an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation.

<u>CE Hours:</u> This program has been approved for 6 CE credit hours by the Conemaugh Learning Institute Department of Continuing Education.

ASRT:

This activity is pending approval for credit by the ASRT for two (2) Category A hours.

ACCESS

Conemaugh Health System encourages qualified persons with disabilities to participate in its programs and activities. If you anticipate needing any type of accommodation or have questions about the physical access provided, please contact the Department of Continuing Education.
