Nursing Textbooks

All textbooks are marked as "Required" or "Recommended." Required books are those that you are required to purchase for the course. Recommend books are **not required**, but serve as a supplemental resource.

Conemaugh students are offered a discounted rate for textbooks (through bundling versus purchasing each independently) through Rittenhouse Book Distributors, Inc. If you choose to purchase your textbooks through Rittenhouse, you will need to follow the instructions on the letter that will be mailed to you from the School of Nursing during the first week in August. See attached sample from the Rittenhouse website.

Please note that some books have an electronic access code you will need for class and must be purchased new. The electronic access code is only available to the original buyer of the text. These textbooks will be identified on the booklist with titles and ISBN numbers from the School of Nursing.

If you choose to purchase your textbooks from another vendor, you can use the booklist with book titles and ISBN numbers enclosed to select the correct title and edition. I have enclosed discount codes from FA Davis and Elsevier if you choose to order directly from them instead of Rittenhouse. It is recommended that you purchase **new** books. Some texts have access codes which can only be accessed by the original buyer. These sites are used for homework or class work.

College Course Textbooks

You can view the required books for any college courses you will be enrolled in by using the myPeak portal on the Pennsylvania Highlands Community College (PHCC) website. Navigate to the PHCC homepage www.pennhighlands.edu/ and click on the myPeak portal. Login using your credentials. (If you cannot login, follow the directions on the right to contact the help desk.) Once you are logged in, click on the "Student" tab. You will be able to see your schedule. Finally, click on the "Bookstore" link on the left side of the page. Select "Books" from the menu and input your schedule information to see the books for the course. College course textbooks can be purchased onsite at the PHCC bookstore.
