

Disclosure of Institutional Graduation/Completion Rates

Conemaugh School of Nursing and Allied Health is pleased to provide the following information regarding our institution's graduation/completion rates. The information is provided in compliance with the Higher Education Act of 1965, as amended. The rates reflect the graduation/completion status of students who enrolled during the specified year and for whom 150% of the normal time-to-completion has elapsed.

Overall Graduation Rate for students who began their studies in 2018-2019: 60%

The overall graduation rate tracks first time, full time certificate-seeking students and reports if they complete within 150% of the normal time for completing the program in which they are enrolled. This is the rate as reported to IPEDS (Integrated Postsecondary Education Data System) and includes students enrolled in the nursing, radiologic technology, and paramedic programs.
