

# Conemaugh Regional Hospice

Conemaugh Regional Hospice needs caring people to volunteer their time in the following areas: home care, fund raising, bereavement, and spiritual care. It's easier than you might think to touch someone's heart. All you need is to be at least 18 years of age and have a desire to help someone else. Don't be afraid that it will be too hard or too painful. Hospice is about living. It's about making the time someone has meaningful and fulfilling. It's about caring.

## Home Care

Visiting with the patient in their home at least once a week to provide companionship, a listening ear, comfort care and emotional support. Volunteers provide respite and emotional support for the caregiver.

## Bereavement

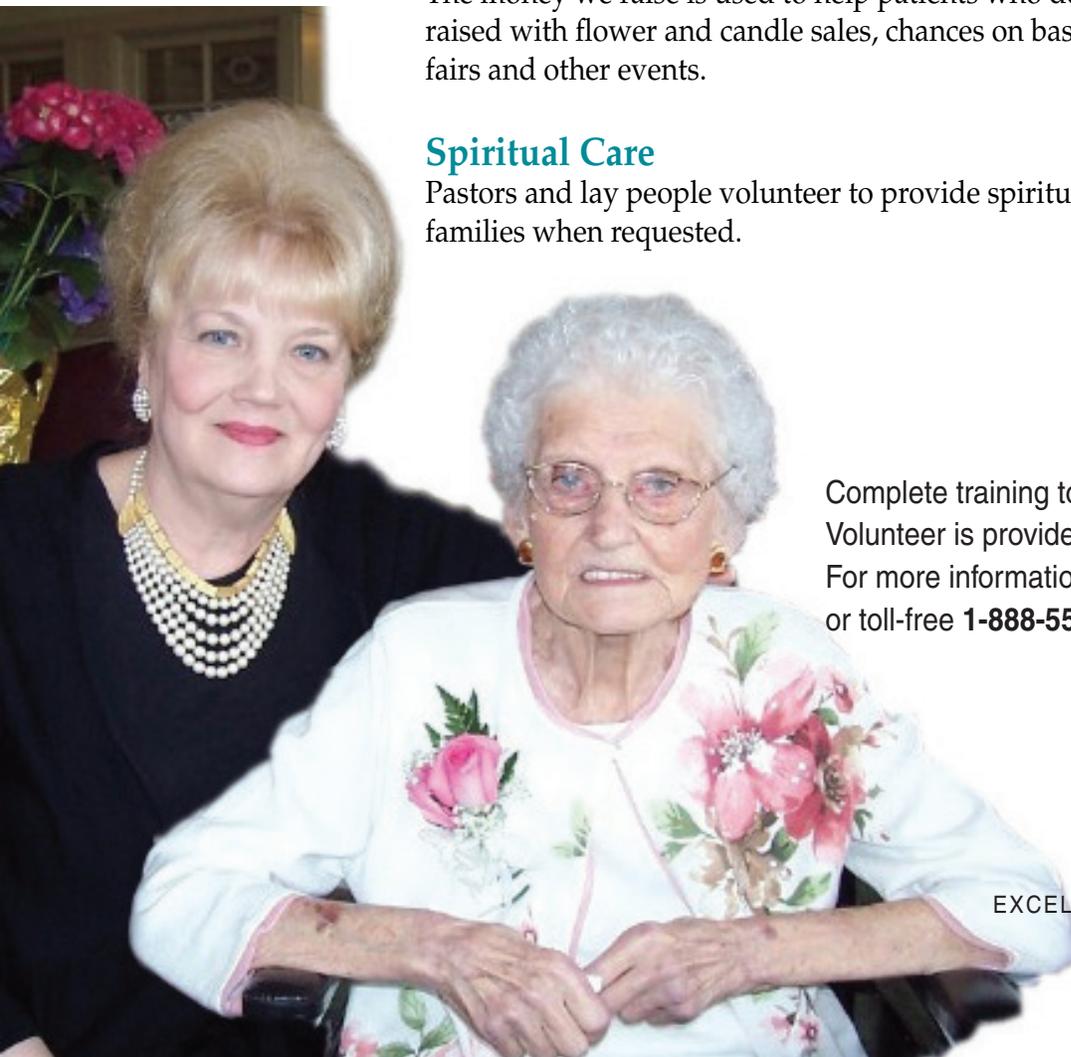

After the patient passes, a 13 month bereavement follow-up for the primary caregiver is provided. This period consists of volunteer telephone calls, cards sent on important dates and special occasions, or visits. Again, you must be willing to listen.

## Fund Raising

The money we raise is used to help patients who do not have insurance. Money is raised with flower and candle sales, chances on baskets and more through health fairs and other events.

## Spiritual Care

Pastors and lay people volunteer to provide spiritual support to patients and their families when requested.

Complete training to become a certified Hospice Volunteer is provided free of charge.

For more information, please call 814-534-6903 or toll-free 1-888-553-5503.

EXCELLENCE. EVERY PATIENT. EVERY TIME.
